**The United Methodist Social Principles**

An 9 Session Evening Study this Fall  
Sundays at 6pm in 108

**Coming TODAY Sunday September 8**  
**A study on The Social Principles**  
**with Pastor Shannon**

Since its founding, The United Methodist Church engaged in social issues of the day, as an expression of the Wesleyan commitment to social holiness. Over many decades, Methodists continued to address social concerns via the Social Creed.

In 1972, United Methodist Social Principles were created and adopted at the General Conference and revisions have been made, including major ones adopted this year. Join us for the study and discover what the denomination says about social issues and interrogate your own values, beliefs, and practices!
